Dear Holly:

Please accept my personal "Thank You" for the time you took to come by yesterday to acknowledge and thank The Merchants Association for being a client of your company. Further thanks for the very useful gift you presented to me. How did you know I needed a new business card holder? You are indeed so very thoughtful.

I enjoy using your services and most especially working with Lori Barndollar. She is a pleasure to work with and always sends us qualified referrals from your organization. She understands our needs and the further requirement for confidentiality due to the nature of our business. I could not ask for a more dedicated, thoughtful professional to work with; she's like the extra set of hands we all need from time to time.

Thank you again Holly for your personal interest in our success as demonstrated by your continuing commitment to us. Congratulations on your company's twenty plus successful years in business.

Sincerely,

Lillian L. Smith
Human Resources Manager
